Foreword

Upon entering this door, every student of Fremont High School begins preparation to take his place as a future citizen. This knowledge which is gained from many sources—the school, home, and church—plays a vital part in the development of an individual. Attitudes and ideals are also formed. Inspiration, happiness, disappointments, and discouragements are all experienced. The activities in which the student participates give the experiences that will aid him later on in life. During the twelve years of schooling the student is prepared to accept responsibilities which must be faced. Knowledge and experience are gained by participation in regular classes, athletics, class projects, clubs, publications of the school newspaper, the yearbook, and many other school activities.

On the following pages you will be introduced to the administration, faculty, and students. You will see numerous ways in which our experiences are widened: in the class room, on the basketball floor, by playing in the band, and sharing in other school activities. You will have a better understanding of our school life and our preparation for the future. Here is where we learn co-operation, reliability, leadership, dependability and initiative. With these assets, we will be equipped to begin our future, for we are Today's Students, Tomorrow's Citizens.

Admini

Mr. Duke

Mr. Duke's influence affects the school and the community greatly. Guidance, discipline, and advice are provided by Mr. Duke, and are at the disposal of any student. Indeed, his presence establishes us more firmly as today's students, tomorrow's successful citizens.

Mrs. Langley

Mrs. Langley is the school secretary. Her cheerful personality makes her very popular among the students. Even though her job keeps her busy, she always has time to help any class or organization that is sponsoring a dinner by supervising in the cafeteria.

Advisory Board

The Advisory Board has made many decisions to help the graduates of Fremont be better citizens. They helped in the making of the handbook, that was passed out to every student. The handbook has a lot of valuable information and has helped create better understanding among students and teachers.

Mr. Mertz

The duties of the Superintendent of Schools, Mr. Mertz, are innumerable. One of his responsibilities is to carry out orders issued by the School Board. Mr. Mertz also serves as an advisor to the School Board and is the executive and administrative officer of the board of trustees. He is also most willing to counsel and advise any student who feels the need of such help.

Cooks

The cooks undertake the task of presenting appetizing and nutritional meals to the student body and the faculty. The good meals and the cheerfulness of the four cooks are greatly appreciated by the entire school.

Custodians

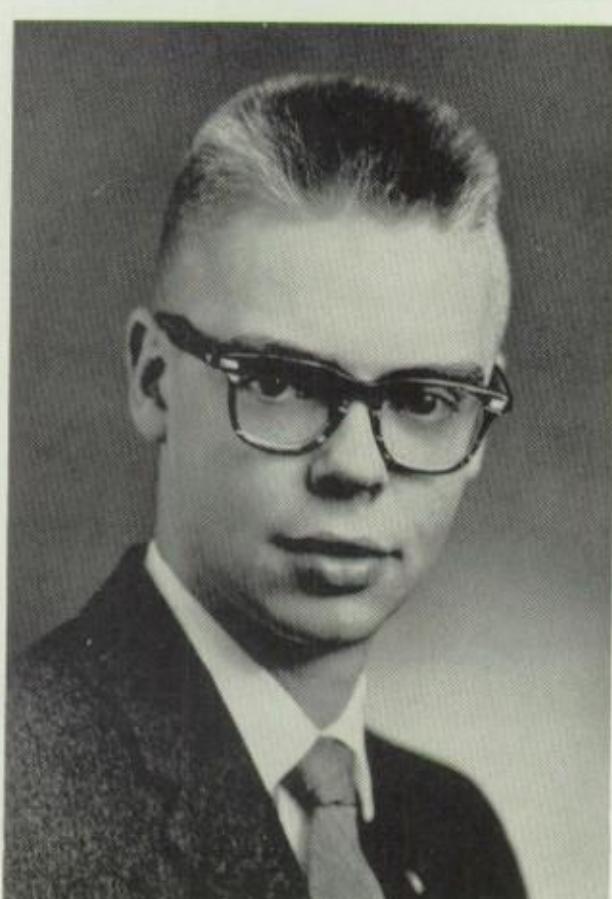

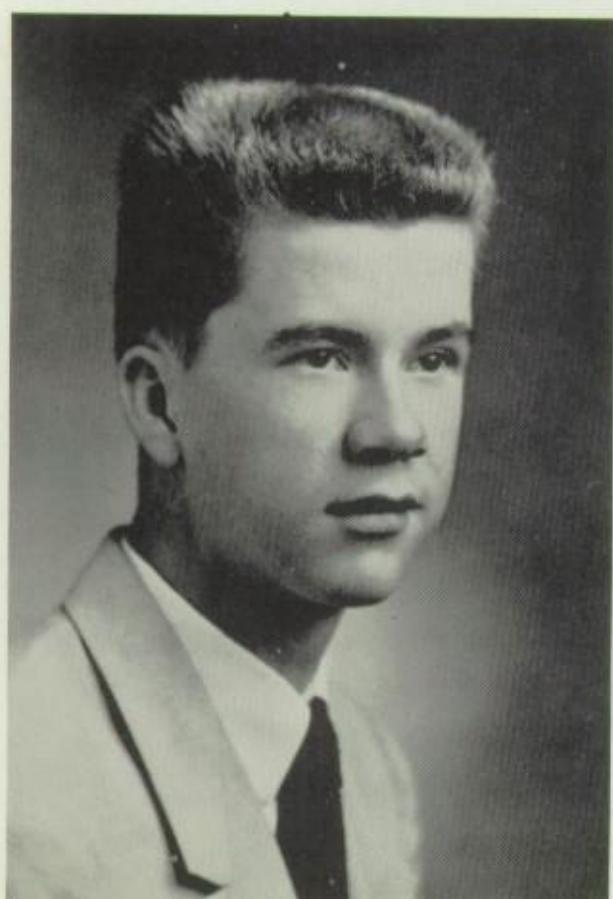

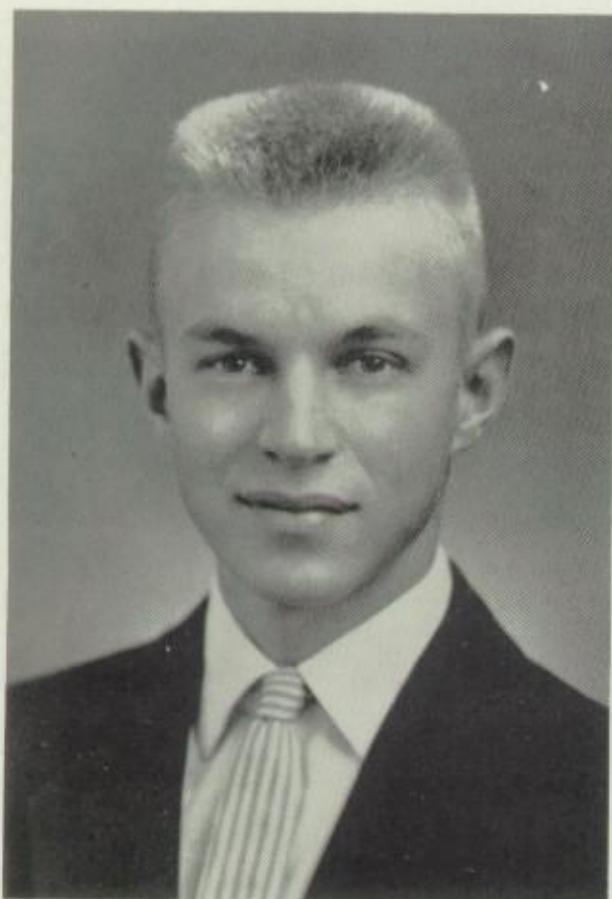

Efficient custodians are essential to a well organized school system. John Bro-magen, Carl Schaeffer, and Vern Rada-baugh have done an excellent job of fulfilling the many duties expected of them.

Bus Drivers

The bus drivers represent an indispensable part of our school system. Besides performing their regular duties of transporting students to and from school, they are always willing to furnish transportation to any extracurricular activity. The entire student body appreciates the varied services performed by our bus drivers.

Activities

To help build better citizens of tomorrow, we need a variety of worth-while organizations in which all students may participate.

Throughout our high school years we have the privilege of becoming members of several clubs and organizations. These activities aid in the development of the whole person.

The primary purpose of school, of course, is to educate. But a part of that education should be the strengthening of ideals and human relationships and the building of a fine personality.

Colleges throughout the country are interested to know not only the scholastic standing of an applicant, but also the kind and number of his high school extracurricular activities.

Participation in various clubs helps to develop many fine characteristics which are important assets for the success of a future citizen. Among these attributes are honesty, leadership, scholarship, sportsmanship, physical fitness, Christian attitudes and mental alertness.

Vistula Staff

The yearbook is the product of much industry and initiative. The planning and writing must be perfect before publication. The number of pages in the *Vistula* has been increased because of additional enrollment and the growth of extracurricular activities.

The *Vistula* staff consists of the following people:

Editor-in-Chief—DIAN LAMMINEN
Associate Editor—BECKY HASSETT
Layout Editor—PAT MUNDY
Assistant Layout—PATTY MITCHELL
Literary Editor—BARBARA GILCHRIST
Assistant Literary—CONNIE NEDELE
Sports Editor—ROGER BARRY
Advertising Editor—JIM PENNER
Sales Manager—JEAN NOYES

Becky, the Associate Editor, advises three members of the *Vistula* Staff.

Roger points out a good example of a layout used last year.

Tatler Staff

The members of the Tatler staff are responsible for keeping the student body of Fremont High informed of the latest activities.

Not only does the Tatler keep the students informed, but it also provides experience in the field of journalism for those who are on the staff and are interested in that field as a career.

LEFT TO RIGHT: B. Chapin, R. Foss, R. Sierer, E. McNaughton, B. Gary, R. Orthwein, N. Huss, J. Kuntz, Mrs. Barkdull.

National Honor Society

The Honor Society is a very exclusive and honored organization. Membership in this society is the highest honor which any student may receive in high school.

In order to become a member, the student must have a B+ average and be in the Junior or Senior class.

A student who is eligible for membership must also meet the four character requirements: Scholarship, Leadership, Character, and Service.

Membership in the National Honor Society is truly a fitting reward for four years of the proper scholastic achievement and character development.

Student Council

The Student Council is our form of government. Each class from 7-12 is represented by a boy and a girl. The Student Council performs many valuable services.

Mr. Duke, the sponsor, has given his time and helpful suggestions to encourage the members of the Student Council.

Through co-operation and understanding, this organization develops better citizens able to take on the responsibilities of later life.

Tri-Hi-Y

To create, maintain, and extend throughout the home, school, and community, high standards of Christian character—These words constitute the purpose of the Tri-Hi-Y. This organization has successfully accomplished all of these objectives. This was done with the able assistance and services rendered by the sponsor, Mrs. Burns.

Hi-Y

The Hi-Y can boast of another successful and active year under the capable guidance of Mr. Kelley. The purpose of this club is to maintain and extend high Christian standards in all areas of life. Among the projects were the Hi-Y dinner organized and served by the members, the distribution of Christmas baskets for charity and the maintenance of the basketball and tennis courts.

G.A.A.

The Girls' Athletic Association is a club devoted to teaching better sportsmanship, fair play and co-operation to the citizens of tomorrow.

The sponsor of this year has been Mrs. Martha Reed, our physical education teacher.

As their special money making project this year, as in the past, they have sponsored ham and bean suppers.

Lettermen

The Lettermen's Club is made up of boys who earned a letter in high school athletics.

The club, in recent years, has been fairly inactive, but under the guidance of Mr. Kelley, the sponsor, plans are under way to make this an active organization. The purpose of the Lettermen's Club is to promote good sportsmanship now and in future life.

Junior Classical League

The Junior Classical League has successfully completed its first year in existence. The name of the organization is R-O-M-E, representing Romans Of The Modern Era.

The club is composed of first and second year Latin students. One of the purposes of this club is to stimulate the interest in Roman life. Through the expert supervision of Mrs. Reed, the sponsor, the Junior Classical League has, indeed, increased enthusiasm and interest among all Latin students.

Music

A black and white photograph of various musical instruments. In the foreground, a trumpet lies diagonally across the frame. Behind it, a flute is positioned horizontally. In the upper right corner, a snare drum with a dark drumhead and a light-colored shell is shown, with a white glove resting on top of it. The instruments are set against a dark, textured background.

Each morning and many times in the evening, the school building echoes with the sounds of drums and marching feet, the refrain of a concert number, or the voices of a choral group. Music plays an important part in every person's life, whether listener or member of a band or chorus. Music soothes and relaxes, makes one happy or sad. It is the only universal tongue.

This year the band and chorus are larger than ever before. Participation in band or chorus makes for a well-rounded individual. The thrill of winning the sweepstakes at the State marching contest, the State concert contest, or receiving a first rating at vocal or instrumental contest is worth all the effort exacted of those who win these honors. Development of talents and wise use of time aids us in our preparation as Today's Students, Tomorrow's Citizens.

Athletics

The athletic program at Fremont High School is essential in the development of Today's Student, Tomorrow's Citizen. The broad athletics program makes it possible for all the students to express themselves in some phase of athletics or another, whether on the basketball court, the baseball diamond, or the cinder track. Students learn the true significance of sportsmanship. Each contestant is given the opportunity to prove his worth. Skill, loyalty, and persistence are all necessary qualities for a successful athletic program. The participants learn to accept championships and to accept defeat gracefully: all necessary attributes for tomorrow's citizen.

Rules have been changed; new rules have been made; but still the same goals are sought—sportsmanship, co-operation, and participation.

Boys plan a new play to be used against an opposing team.

High School Baseball

The Eagles won three and lost six games this year, but this record doesn't show how hard the boys played. All but two of the games were quite close, and the boys played their best.

We should have a strong team next year, because only one Senior is lost by graduation, and there are five Freshmen that gained valuable experience by playing regularly.

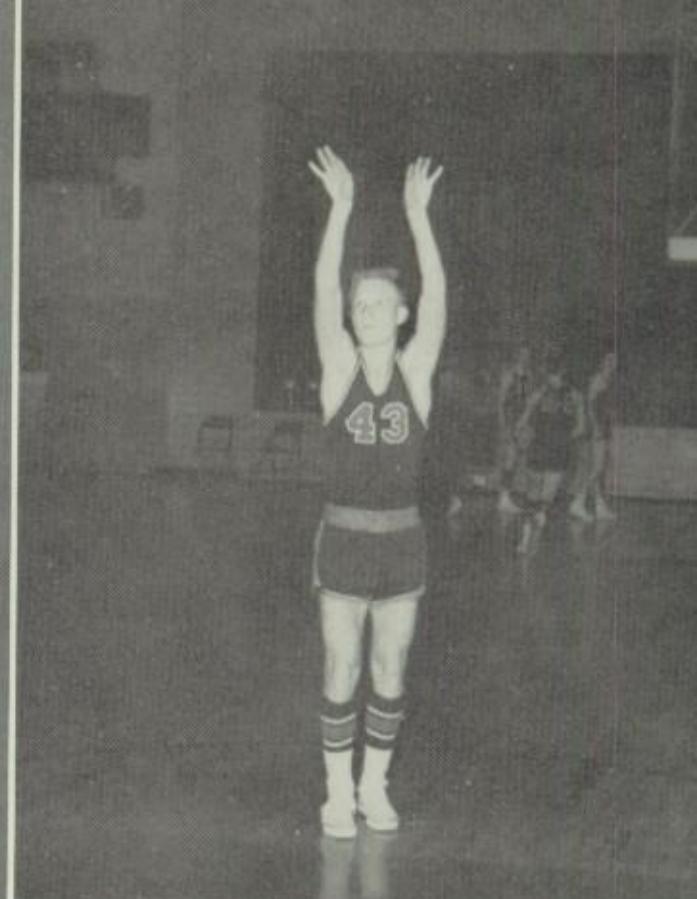

Olin Firestone was the batting hero with a .375 average, and Dennis Buwalda and Jerry Rakestraw shared in the pitching.

Top

JERRY LANTZ — Senior — Center

Jerry is a regular player on the varsity team who has a fine rebounding, feeding off the pivot, and shooting ability. Jerry also did a very fine job on the defense.

ROGER BARRY — Senior — Guard

Roger is a varsity starter whose defensive and passing ability has made him a valuable team member. His expert team spirit also has helped the team.

GREG BARRY — Sophomore — Guard

Greg gained a starting position through his all-around basketball ability. This sophomore guard's hustle and the experience gained this year should make him a valuable asset in future years.

DAVID ANSPAUGH — Sophomore — Forward

Dave is a sophomore starter, whose jump shot, rebounding, and defensive ability made him a valuable asset. Experience should make Dave much stronger in the next two years.

BOB BAKER — Junior — Forward

Although Bob was not a regular starter, he gave valuable support in many instances. The experience he gained should make him a valuable player in his last year.

Ten

DON VAN METER—Junior—Forward

Enthusiasm and team spirit made Don a capable replacement this year. His defensive ability and speed were also very helpful.

EARL McNAUGHTON—Junior—Guard

Earl's determination and co-operative spirit were valuable to the team. The experience which he received this year should prove to be helpful next year.

ROGER BAKER—Junior—Center

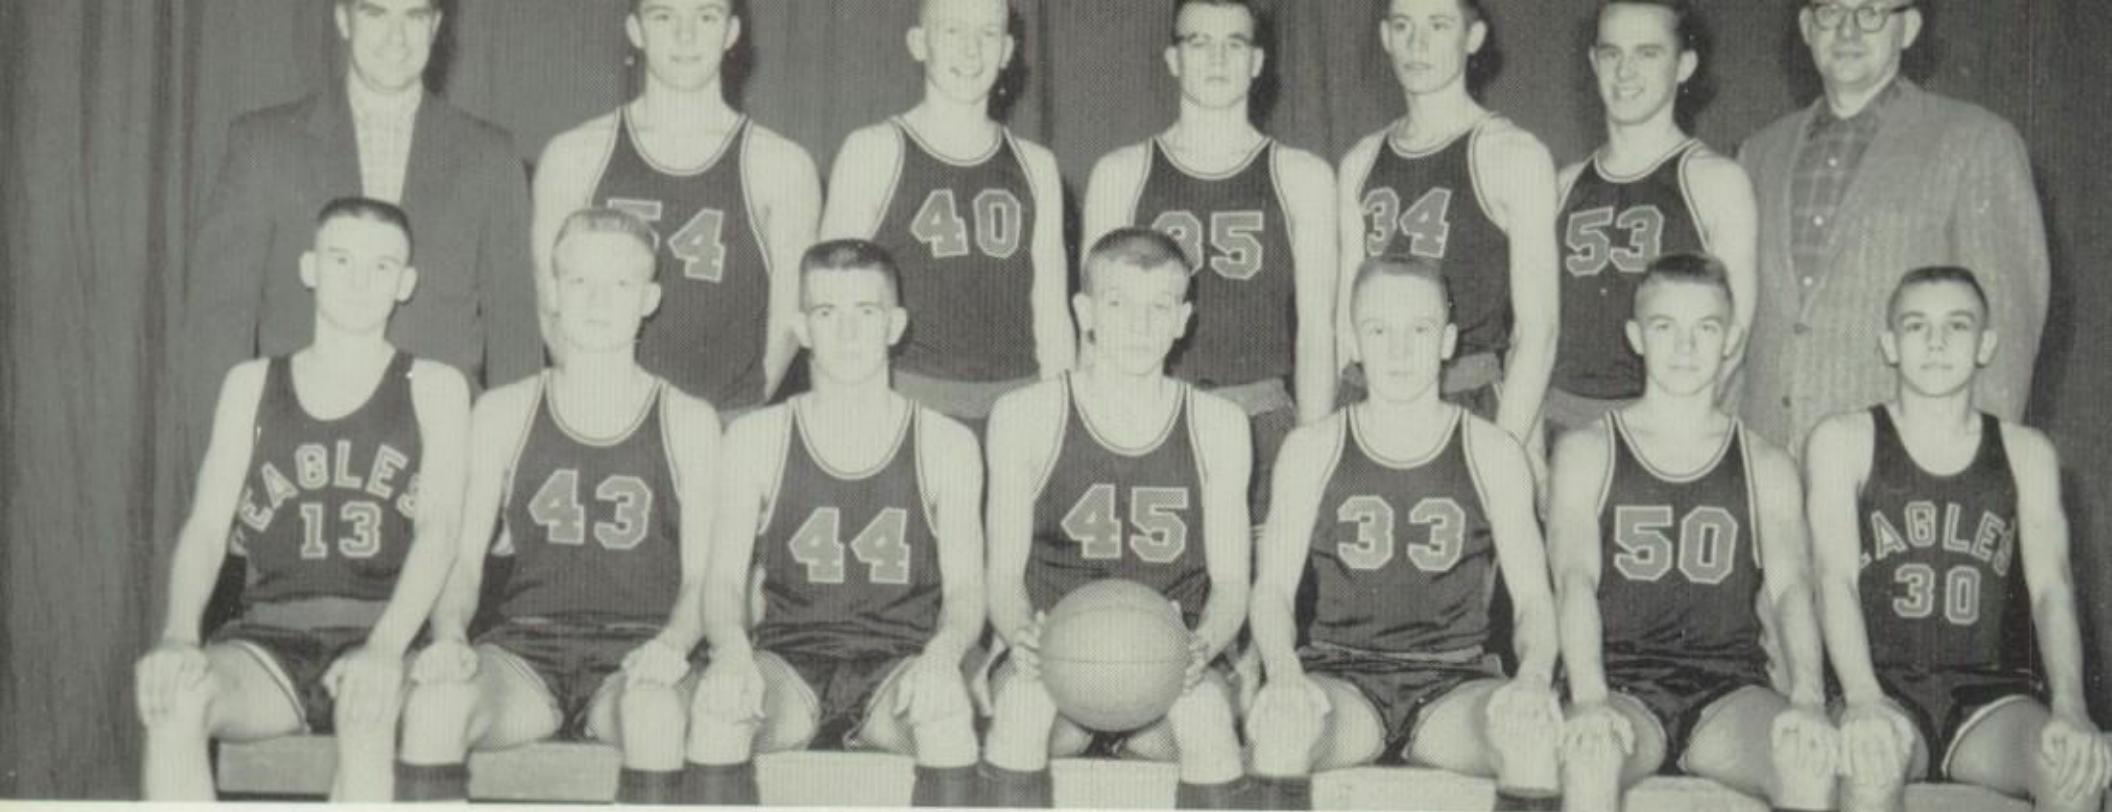

Roger's fine jump shot and rebounding ability made him an extremely valuable substitute on the Eagle's team throughout the entire year.

JERRY CHAMPION—Junior—Forward

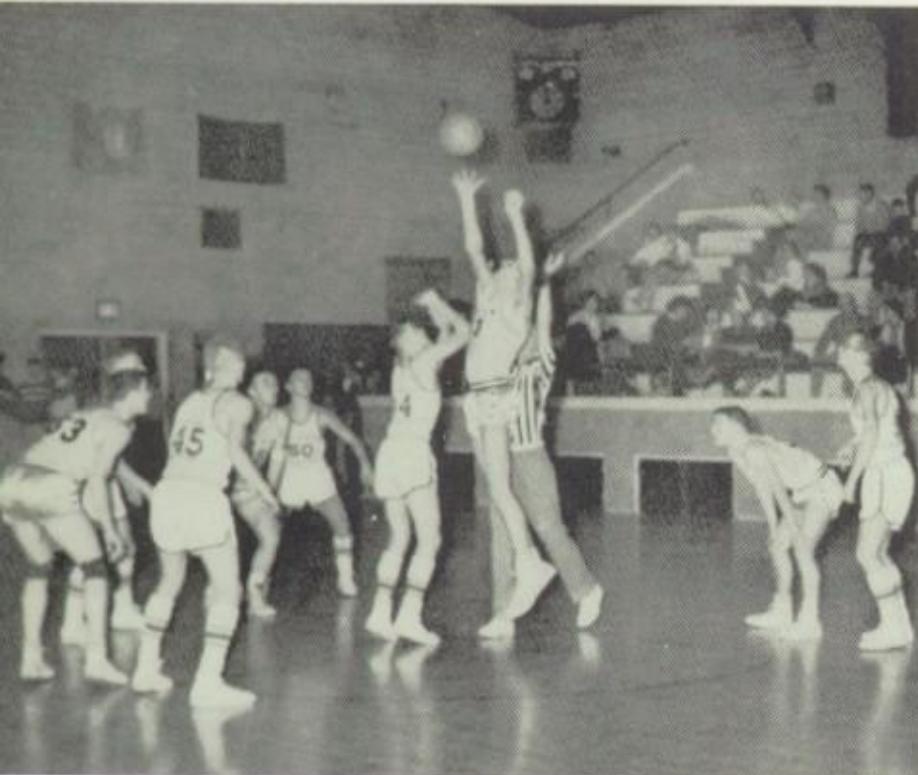

This was Jerry's first year in high school basketball and he proved himself very reliable. Although Jerry was not a starter, he always did the job he was assigned.

DENNIS BUWALDA—Sophomore—Guard

Dennis' fine shooting percentage earned him a spot on the varsity. Although he played only partially, he came through whenever called upon.

Varsity

This year's Eagles didn't have an impressive record, but they tried hard and did their best. The biggest handicap was the lack of height and experience, but the loss of only two seniors should make for a strong team next year.

With two Sophomores playing regular, and many other fine underclassmen, this year's experience should be helpful in the future.

David Anspaugh was the leading scorer as well as having the best free throw average. Jerry Lantz was a close second in both respects.

The Fremont Eagles have learned team spirit and true sportsmanship, which should be an asset to them in later life.

TOP ROW, left to right: Mr. Stafford, J. Rakestraw, R. Morrison, M. Burrell, M. Marshall, R. Emerick, J. Cole, Mr. Kelley. BOTTOM ROW: J. Moeller, B. Sherburne, L. Dunham, M. Bressler, V. Kiser, G. Sellers, L. Smart, G. Henney.

Junior Varsity

The Junior Varsity Team is composed of Freshman, Sophomore, and Junior boys, with the exception of the boys that make the Varsity Team.

This year's scoring honors went to Marvin Burrell, with Joe Chapin following close behind.

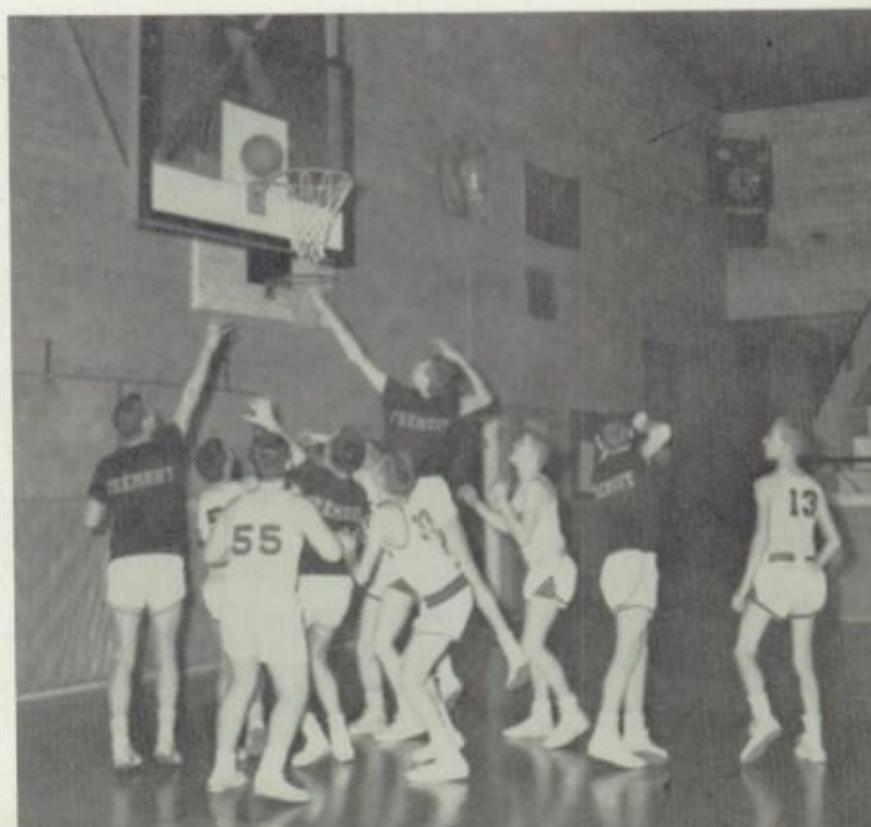

Roger Baker was the leader in the free throw percentage department.

The main purpose of the Junior Varsity is to develop boys for the Varsity Team, and judging by the appearance of many underclassmen, Fremont should be able to look forward to another fine basketball team in the future.

Varsity Cheerleaders

A surprise ending for a new yell.

The cheerleaders go into formation for a different yell.

The cheerleaders reorganized the cheering block to promote team spirit. They have also been very efficient in leading the cheering section, furthering team spirit, and promoting good sportsmanship — win or lose.

We are all very proud of the wonderful job they did, and are looking forward to the leadership of four of them next year.

The entire group experiments with some new motions.

Junior Varsity Cheerleaders

The Second Team Cheerleaders have shown real ability to revise the actions to old familiar yells, and renew the cheering section's enthusiasm in doing them.

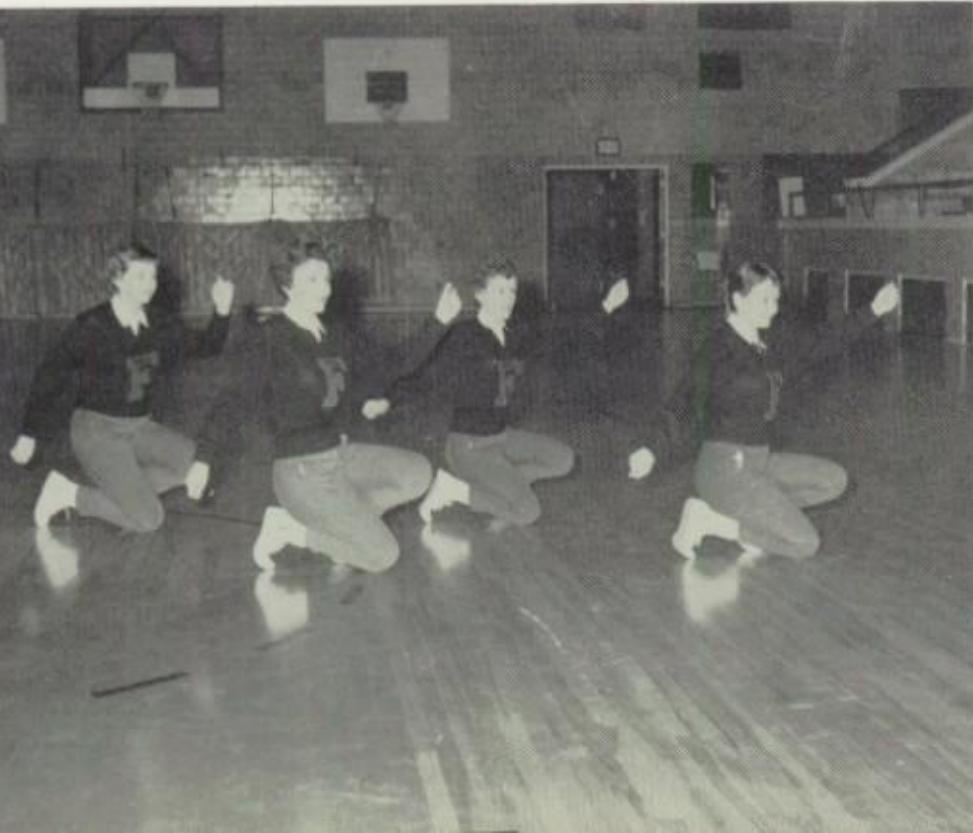

We're sure this ability will be appreciated in future years by the students of Fremont High School.

Co-ordination makes this routine effective.

High School Track

In the regular scheduled track meets this year, Fremont won two and lost one. We gained second place in both the Bi-County and Corner Conference.

Bobby Thomas was the individual hero who scored the most points. The team was hindered by bad weather, which prevented many practices. However, Coach Harry Kelley and the team did an extremely good job, and the entire student body is proud of them. Congratulations on work well done.

Junior High Track

The 1958 grade track team had a very good season, although they were hindered by the loss of Joe Chapin, who, due to an electrical accident, could not participate in the year's track activities.

The team was disappointed when they lost the County Tourney; however, they won the majority of their meets.

Mr. Kelley will be glad to have these fine Eighth grade boys on his high school track team.

The boys wait for the gun.

Will Bill get the tip?

Junior High Varsity

The Junior High Varsity did an excellent job this year. Under the capable direction of Coach Maynard Stafford, the boys were taught team spirit and co-operation.

Bill Knauss was the leading rebounder, with Douglas Hufnagle taking the honors as the team's leading scorer.

The team's biggest thrill was a one point victory over a strong Garrett team.

TOP ROW, left to right: Mr. Stafford, C. Chapin, J. Groshon, J. McCormick, L. Morrison, M. Richardson, J. Shupp, L. McNaughton, G. Sellers, S. Emerick, C. Henney, J. Sommers, D. Stauffer, S. Wyneken.

Junior High Reserves

The Junior High Reserve team had an extremely impressive record this year, and these boys should be a terrific asset for another winning Junior High Varsity team next year. The Junior High Reserve team is composed almost entirely of seventh grade boys, with the sixth grade having a team of their own. This team is also under the guidance of Mr. Stafford.

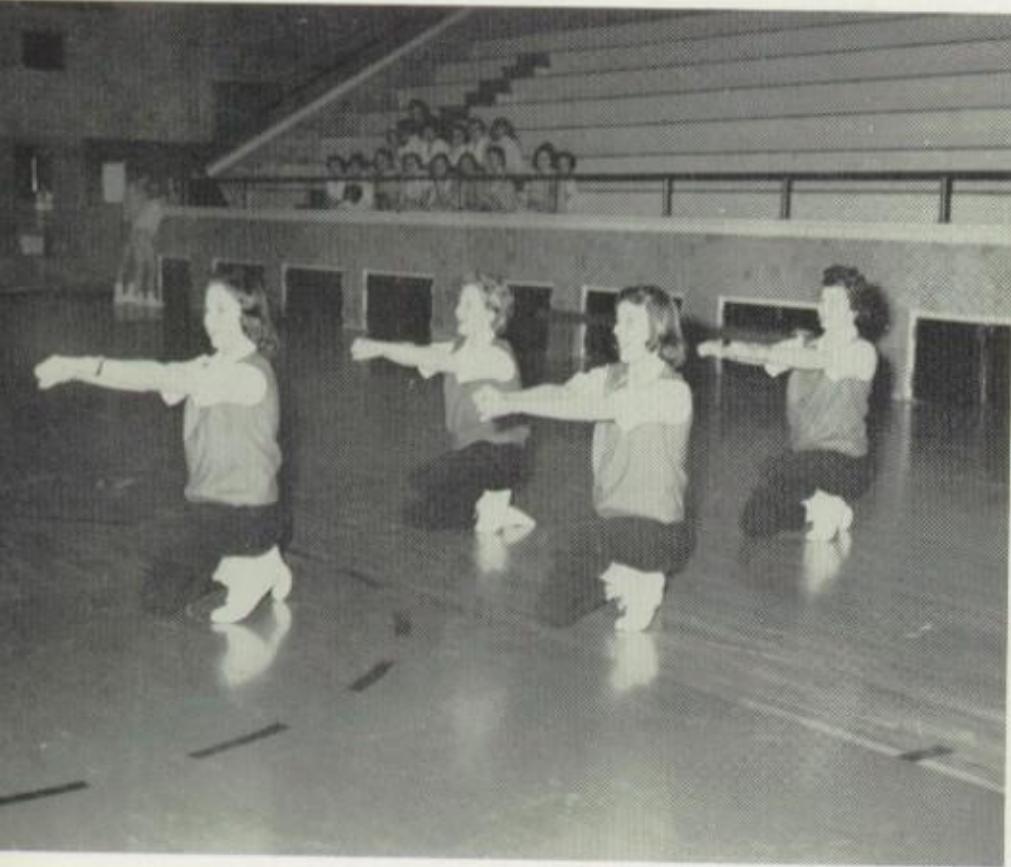

R. Emerick tries for a free throw while the rest of the players observe.

L. Morrison goes up for the rebound.

Left to right: B. Hoyer, K. Lamont, B. Oser, C. Wells.

The girls demonstrate a yell for on-lookers.

"Go! Fight! Win!"

The girls lead a yell between games.

STANDING, left to right: B. Champion, D. Hufnagle, J. McCormic, C. Chapin, W. Reed, Mr. Stafford, D. Firestone, D. Chard, J. Newbauer, C. Henney, H. Parker. SEATED: A. Sommers, J. Snyder, R. Hutchins, L. Newbauer, P. Sherburne, M. Sellers, J. Sommers, J. Shupp, L. McNaughton, R. Long.

Junior High Baseball

The Fremont Junior High had a very good season this year, under the direction of Coach Maynard Stafford. The team won 4 and lost 2, with Dale Chard doing the bulk of the pitching and Marshall Sellers winning the batting title with an amazing .705 average. The boys' only disappointment this year was losing the final game to Salem. This game went extra innings, and was a hard one to lose, but the defeat was taken honorably. These boys should be a valuable asset to Fremont in the future.

M. Sellers, who had the highest batting average, is up at bat.
